LINES OF BUSINESS

BROKER SOLUTIONS

FUND SOLUTIONS

CORPORATE ISSUERS

ADVISORS & RIAs

Broker Solutions

We enable brokers to effectively manage all potential touchpoints within the investor communications lifecycle — from proxy statements and prospectuses to voluntary corporate actions.

Fund Solutions

End-to-end proxy solutions are designed to meet the needs of mutual fund, insurance and alternative investment (REIT) firms. Our full-service solution includes: project planning, data analysis, solicitation strategy with in-house call center, electronic and print distribution, voting, tabulation and inspector of election services.

Corporate Issuers

Proxy meeting events are streamlined by managing and centralizing communications for all parties and fulfilling and distributing issuers' proxy materials. Our proxy solutions focus on customized campaigns while maximizing voter participation.

Advisors and RIAs

We also support financial advisors and RIAs by providing software and solutions that improve client engagement with real-time visibility into what investor communications are distributed to their clients as well as proxy voting processing for advisors with voting authority.
